Dear Parents,

I would like to take this opportunity to welcome you and your child to the Step By Step Summer Camp Program. Step By Step is looking forward to serving your family in the months ahead. Our goal here at Step By Step is to make the children entrusted to us conscious of the fact that Christianity is a way of life. We believe that each child is a unique individual of great worth created in the image of God. We plan our daily program around the child's need for care and Christian training based upon the Word of God and sound educational principles.

Summer Camp should be a time of fun and relaxation mixed with educational experiences. Our summer staff has a wide variety of activities planned weekly including field trips to the Pensacola/Mobile areas; swimming; crafts; food safety and nutrition; and we end the summer by presenting a program of principles and activities learned throughout the summer months. We encourage child participation in an interactive, social, and educational environment.

Please take this opportunity to familiarize yourself with the Parent Handbook which contains valuable information concerning what you can expect from our excellent staff and what we expect from you as caring parents.

As the Director of Step By Step, I would like to personally welcome you and assure you that your child is in a loving, safe, and most importantly, Christ-Centered Environment that will encourage him/her to grow both intellectually and spiritually. My prayers are with you and your child each and everyday. God has truly blessed us here at Step By Step, and we look forward to what He has planned in the days ahead.

Should you have any questions or concerns please call me during regular business hours.

In His Service,

Bonnie Ferguson, Director
